EXHIBITOR PROSPECTUS

Vascular Biology 2026 - The NAVBO and MCS Annual Meeting

ASILOMAR
CONFERENCE GROUNDS
Pacific Grove, CA, USA
October 18-22, 2026

Themes:

Development and Homeostasis
Matrix Biology and Bioengineering
Inflammation
Microcirculation

Guest Society:

Microcirculatory Society

www.navbo.org/vb2026

October 18 to 22, 2026

Vascular Biology 2026 will feature several themes relevant to the vascular biology community: development and genetics, inflammation, malformations, matrix biology and bioengineering, microcirculation, disease, signaling, mechanotransduction and metabolism. **Join us at Asilomar in Monterey.**

Plan now to exhibit at this premiere event in the field of vascular biology. Meet with colleagues from around the world and display your latest technology, supplies and equipment to professionals in the fields of vascular and cardiovascular biology.

Vascular Biology 2026 will provide in-depth and cross-disciplinary approaches to subject matter. This meeting brings together leading scientists in cell biology, signal transduction, microcirculation, neurobiology, developmental biology, immunology, cardiology, molecular biology, as well as pathology and physiology who have an underlying interest in vascular biology. We expect 350 participants and approximately 200 abstracts. Usually, about half of the attendees are senior investigators and about 25% are postdoctoral fellows. The remainder of the attendees are a mix of graduate students and clinician-scientists.

Vascular Biology Past Exhibitors:

ACD - Bio-techne
ADInstruments
Applied BioPhysics, LLC*
Biocytogen
BioSpherix
Cell Applications
Cell Biologics*
Danish Myo Technology (DMT)*
emka Technologies

We are joined by **The Microcirculatory Society**, whose focus helps to broaden the scope of our meeting program, which features prominent speakers, abstract presentations, poster presentations, career development forums, and of course, Exhibits.

About NAVBO

The North American Vascular Biology Organization is a society of scientists and clinician-scientists studying any and all aspects of the vasculature – its development, structure, function and diseases. NAVBO was formed in 1994 to promote the study of vascular biology, to provide a forum for scientists from many disciplines, where they can disseminate and share knowledge related to the scientific field of vascular biology, and to ensure the translation of knowledge from basic science to clinical practice. Collaborating across disciplines adds an enlightening element to all NAVBO meetings and communications.

The research of our members covers the vast field of vascular biology with focus on angiogenesis, development, vascular disease, vascular regeneration, endothelial and smooth muscle cell biology, stem/progenitor cells, cell signaling, mechanotransduction, vascular remodeling in disease, bioengineering, vascular matrix biology, inflammation, vessel calcification, atherosclerosis, hypertension, endothelial-leukocyte interactions, lymphatic biology – to name a few.

Although there is considerable interest in a broad array of laboratory products, services and analytic tools, NAVBO attendees have a keen interest in:

- microscopy
- imaging
- tissue culture
- flow cytometry
- cell isolation
- animal models, habitats, nutrients
- single cell sequencing
- physiology instrumentation
- cell segmentation tools
- and more

Corporate members are organizations with a vested interest in the field of vascular biology. Depending on the membership level, benefits can include the following:

- inclusion in our [Partner Directory](#) (publicly accessible)
- visibility on the NAVBO web site
- visibility in NAVBO's monthly electronic newsletter
- complementary ad space in NAVBO's Summer Newsletter (printed and mailed to 1,200+ members)
- free insert in the virtual conference bag
- discounted exhibit space
- discounted ad space in NAVBO publications and website

EXHIBITOR BENEFITS & PROMOTION INCLUDED WITH YOUR CONTRACT

VISIBILITY IN THE MEETING MOBILE APP AND WEB SITE

A list of exhibiting companies will be included in the final Meeting Program and will be posted on the meeting's website at www.navbo.org/vb2026. Product descriptions are included on the meeting web site and meeting app.

REGISTRATION LIST

Exhibitors will receive the meeting attendee list (after the meeting) free of charge (*please note registrants must be given an opt out option from mailings*).

INTEGRATED WITH THE POSTERS

Scientific poster presentations and exhibits will be co-mingled in order to provide exhibitors with the most traffic. Different posters will be presented on each evening.

MOBILE APP

Our mobile event app provides you with a virtual booth and includes detailed product descriptions including images and service information. Grab attention prior to the meeting and continue it past the meeting.

VIRTUAL CONFERENCE BAG

PDFs of any literature you would like to share with the registrants (or any site visitor) prior to the meeting. You can advertise webinars, target certain products or offer coupons to attendees.

EXHIBITOR RULES AND REGULATIONS

BOOTH PERSONNEL

Exhibitor badges must be worn at all times. NAVBO provides each booth space **two (2) paid registrations** that will provide **full access** to all scientific sessions, coffee breaks, and receptions. Meals are included if you are lodging at Asilomar. Booth staff must agree to the meeting [Code of Conduct](#). Additional booth staff or representatives from your company must register as meeting participants.

PROMOTIONAL ITEMS AND ACTIVITIES

Exhibiting companies are permitted to distribute promotional materials and other items at their Exhibit Booth location only. All distributed items must be useful to the professional activities of the meeting attendees and made available to all meeting attendees as long as supplies last.

No soliciting of registrants is permitted in the aisles, in other exhibitor booths, or in any other area reserved for this meeting. No distribution of literature or other promotional items near guest rooms, or in any other public or private area of the conference center is permitted. Subletting any part of the exhibit space is prohibited.

ADDITIONAL SERVICES

Information regarding other services such as electricity, will be sent three months prior to the meeting.

SUPPORT AND MARKETING OPPORTUNITIES

Consider the many opportunities for additional visibility to our attendees and web visitors. Meeting supporters are highlighted on the meeting's web page with a link to their web site.

Depending on the level of support, your exhibitor fee may be waived. [Click here for more information.](#)
