

**This is the title of the abstract – only the first word and proper names should be upper case.**

John Doe, Ph.D.<sup>1</sup>, Jane Smith<sup>2</sup>

<sup>1</sup>Name of the Institution, City, State, Country. <sup>2</sup>Name of the Institution, City, State, Country

Please be sure to underline the name of the presenting author. List the author and co-authors in the order you want them to appear, in the format seen above.

**Your abstract is limited to 1,750 characters** and that includes spaces and punctuation.

You can add small images and/or graphs, but the full document cannot exceed one page. If you'd like you can section your abstract to include Background (or Introduction), Methods, Results and Conclusion(s), but this is not necessary.

The font we are using is Arial. The title should be Arial 12pt and bold, the authors are Arial 10pt and the abstract text should be Arial 11pt – you can bold or italicize as you see fit.
