

22nd International Vascular Biology Meeting

Exhibitor Product Showcases

The Product Showcase is an opportunity for Exhibitors to highlight their products and services to a targeted audience in an intimate setting. Showcases will be held in a salon of the Junior Ballroom. The number of showcases will be limited to two per day (Friday through Sunday) and they will be held at a premium time for maximum attendance - in the afternoon after a Keynote or Award Lecture and before the last concurrent session of the day.

The room is set theatre style with 150 chairs. The room includes an LCD projector, screen, podium and microphones for the presenter and audience questions. Please do bring your own computer, one will not be provided. A six foot table and two chairs will be setup within the room, or immediately outside if space allows, for your company to collect the names of the attendees entering the room and to distribute information about the presentation and additional sales literature.

Showcases will be considered on a first-come, first-serve basis.

The cost for a 30-minute session is \$1,000, a one-hour session is \$1,750.*

Your fee includes:

Room set theatre style for 150 participants
Podium
LCD Projector and screen
Microphones for presenter and audience questions
Inclusion in the Meeting Program
Promotion of your event on meeting web site and
NAVBO's electronic newsletter
A one-time targeted email to pre-registrants

Reservations for Showcases are due June 15, 2022

** 30-minute slots are available from 3:15-3:45 on Friday and Saturday, and 3:00-3:30pm on Sunday. One-hour sessions are only available on Sunday from 2:30-3:30pm. Note: Sunday sessions are concurrent with two scientific sessions; Friday and Saturday sessions are only concurrent with another exhibitor.*
