Vascular Biology 2026

Support Opportunities

October 18-22, 2026
Asilomar Conference Grounds
Monterey, CA

The North American Vascular Biology Organization (NAVBO) welcomes your participation at our annual meeting. The program focuses on several themes relevant to the vascular biology community: development, genetics, inflammation, matrix biology, bioengineering, mechanotransduction, microcirculation, vascular disease, and vascular malformations. Secure your opportunity to reach scientists in a variety of disciplines: cell biology, bioengineering, signal transduction, developmental biology, matrix biology, physiology, cardiology, pathology, molecular biology, to name a few, and gain added visibility for your organization by choosing from our wide array of support opportunities.

Diamond Partner Host the Welcome Reception on October 18, or co-sponsor the Farewell Dinner on October 21, for a contribution of \$20,000. In addition to the benefits received by our Strategic Partners (see below), your organization will receive complimentary exhibit space (up to two booths), a banner ad on the NAVBO website for two years, receive acknowledgement on exclusive signage at the event, and a complimentary full-page ad on the inside cover of the Summer Newsletter.

Platinum Partner (contribution of \$15,000) will be named as the sponsor of one of our poster session receptions and will receive all the benefits received by our Strategic Partners plus a complimentary exhibit booth, a banner ad on the NAVBO web site for one year, a full-page ad in our upcoming Newsletter, and additional signage at the meeting.

Gold Partner (contribution \$10,000 to \$14,999) will obtain the benefits associated with a Strategic Partner, plus a full-page ad in our upcoming Newsletter, a banner ad on our web site for nine months and be listed as a Gold Partner on meeting signage. A Gold Partner may choose to support a plenary session and be recognized as a Supporter of that session in the meeting program (mobile app).

Strategic Partner (contribution \$5,000 to \$9,999) will receive acknowledgement on all promotional materials, newsletters and the meeting web site, and at the meeting in signage, slides, and a banner ad on the NAVBO web site for six months.* You will also receive a complimentary half-page ad in an upcoming Newsletter. A Strategic Partner may choose to support a particular refreshment/coffee break and be acknowledged for this onsite. You may add a pdf insert to our "[virtual conference bag](#)."

Event Partner (contribution \$2,500-\$4,999) will receive acknowledgement on promotional materials, the web site, signage, and the newsletter.* You may add a pdf insert to our "[virtual conference bag](#)."

ADDITIONAL OPPORTUNITIES:

Diamond, Platinum, and Gold Partners may choose to reserve complimentary exhibit space in the poster sessions for exhibiting products or literature. NAVBO staff can set up and maintain your booth. If a representative is sent to tend the space, their registration fee will be waived; however, all travel and lodging expenses will be the responsibility of the "partner." This representative will be permitted to attend all sessions, breaks and receptions.

Contributor For educational grants up to \$2,499, an organization will be recognized as a "Contributor" and will be acknowledged as such on promotional materials, the meeting web site, and in the newsletter.*

Literature Table (\$500 for one 6' draped classroom table, no signage provided)

Displays will be set up near the session area and are available to nonprofit organizations, government agencies and academic or medical institutions only.

For all contributors and partners:

If you choose, your organization's logo, in addition to its name, may be included on above mentioned promotional materials. Names (or logos) of partners will have a link to the organization's web site from our web site.

No sponsor or partner may have influence in the programming of this meeting.

** Acknowledgement is contingent upon funding being received prior to production of any printed piece and must be confirmed by October 1, 2026, to assure recognition in the final Program.*

If you have any questions, please contact Bernadette Englert at (301) 760-7745 or via email at bernadette@navbo.org
